RE-ENTRY

When an astronaut has been in space for an extended period of time, there is an adjustment that has to take place to get used to being back on earth. People returning to Earth after extended weightless periods have to readjust to the force of gravity and may have problems standing up, focusing their gaze, walking and turning.

Over the past three months we have been living in a very different world with stay-at-home orders and social distancing and wearing masks and not being able to worship publicly. This has been an experience for us unlike any we have ever known.

Like an astronaut we will soon be looking at re-entry issues. Like the astronaut, we left a place we had always known, went somewhere we've never known, and will soon be returning to a place that we once knew, but will also likely be different. There will be adjustments to be made. There will be changes to be accepted. There will be emotions to be dealt with. There will be lots of questions and concerns and perhaps continued fears and worries. There will be feelings of impatience as well as concerns over what is safe for us and what is safe for others.

Questions we will have to work through will include how we do communion and how we collect the offering. Will we have greeters and pass out bulletins? Will we have hymn books and Bibles in the pews or go to all screen projection? Will we pass connect pads down the rows? Will we have coffee and juice and bagels? How often do we sanitize and what places do we sanitize? Will we sing? Will we have times of greeting? Will we ask people to refrain from shaking hands? How will we do children's ministry and youth ministry and choir and band practice?

The early church faced many unknowns as well. Christian worship was very different from Jewish worship. Those who led Christian worship were going against cultural and historical norms that had been in place for centuries. The day of worship changed to Sunday, the first day of the week. The earliest forms of Christian worship took place in peoples' homes. Luke tells us, *"All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals including the Lord's Supper), and to prayer . . . . They worshiped together at the Temple each day, met in homes for the Lord's Supper, and shared their meals with great joy and generosity,"* (Acts 2:42, 46, NLT).

There are things that won't change, though there will be other things that probably will change as we transition to a new normal or a "now" normal. We are always in transition. The world is always changing and God is always changing us. But sometimes the pace of change is accelerated. It appears that we are in such a time.

June and July are all about what we can spy with our little eyes. Get ready for I Spy! It's a great theme that not only helps us see the things that help us believe in Jesus. I Spy. It's all about the eyes.

This month, we are helping preschoolers see so they can believe in Jesus. We will have one key question and bottom line for June and July. We don't think we can say these too much. They are that good. Get ready to ask, "who can believe in Jesus" and respond with, "I can believe in Jesus," over and over again. Our hope is that each of your preschoolers will have the truth that they can believe in Jesus with them forever.

Focus: Take a Closer Look

God has always been involved in the world He created. We see His handiwork on display in creation. We see God's love on display through Jesus, who came to rescue us. We respond to God in faith, believing in what we can't see because of what we can see. When we focus on what we know to be true about God and the world God created, we can have faith in what we can't see or fully understand.

We can't see God with our eyes. But we can grow in our faith when we focus on who He is and what He's done. When we take a closer look, we learn to trust in what we CAN'T see because of what we CAN see. †

MTUMC MINISTER OF SPIRITUAL GROWTH DIANNE LAWHORN APPOINTED TO DAVIDSON UMC JULY 1, 2020

Rev. Dianne Lawhorn

Jim Graham, Staff Parish Relations Committee (SPRC) Chair at Mount Tabor United Methodist Church (MTUMC), is announcing **Rev. Dianne Lawhorn**, MTUMC Minister of Spiritual Growth, has been appointed **Associate Pastor of Davidson United Methodist Church, Davidson, N.C.** by Bishop Paul Leeland of the Western North Carolina United Methodist Conference **effective July 1, 2020**.

Dianne has served in a most outstanding manner during the five years she has been on the MTUMC staff. Her support of Senior Pastor Dr. Mark Key, has been greatly appreciated. Her focus on spiritual development has been a significant contribution with the church experiencing unprecedented growth in small group development, church wide studies, and opportunities for spiritual retreats. To her credit is the creation of an active Spiritual Growth Committee where she has provided mentoring, resources, and encouragement for participating lay members as they lead small groups, contribute to programming, and support her work. Through her ministry MTUMC has been able to come together in a common study and worship experience along with individual opportunities for personal spiritual growth. Dianne was an active participant in the church's 2019 strategic initiative to identify Mount Tabor's strengths, weakness, and interests. The result was an affirmation of her work in spiritual development and the significance of discipleship as a foundational cornerstone for Mount Tabor's desire to be more engaged in the community's institutional and individual needs. Dianne will be greatly missed but leaves the congregation a strong foundation on which to continue building the spiritual development ministry.

As Dianne assumes her responsibilities at Davidson UMC on July 1, 2020 as Associate Pastor, she will join the Senior Pastor in providing pastoral care and leadership to that congregation. She will also have supervisory responsibilities for the Children, Youth, and Family Ministry departments. Along with these duties she will have a particular ministry focus in Faith Formation for all age groups. As the MTUMC family has witnessed, Dianne is well prepared and gifted to assume this new role. She will bring to Davidson a spirit that will breathe new life into the spiritual journey of her congregants and that church as a body of believers.

Her last day of work at Mount Tabor will be June 14, after which she will be taking time off to complete her move and transition to Davidson. Since an in-person gathering at church before she leaves is not possible, you are invited to show your appreciation by any of the following:

- Make a donation to a "Love Offering" so SPRC can present her with a cash contribution. If you wish to donate to this offering you can do so by writing a check made out to Mount Tabor UMC, with a memo designating this offering to the "Dianne Lawhorn Love Offering", and mail it to Mount Tabor UMC, 3543 Robinhood Road, Winston-Salem, NC 27106. You can also give online at via the church website at mttaborumc.org/give then select Budget Fund filling the memo line with "Lawhorn Love Offering". **All checks need to be received by the end of the day Wednesday, June 10.**
- Send a greeting card from you with your special comments for her. You can mail your cards to the church and make sure the envelope is addressed: Mount Tabor UMC, Attn: Lawhorn Celebration, 3543 Robinhood Road, Winston-Salem, NC, 27106 so the envelope will not be opened by the office staff. **All greeting cards need to be received by the end of the day Wednesday, June 10.**
- Record a good-bye video of 30 seconds or less and email to video@mttaborumc.org. All video messages will be combined to produce a moving tribute for Dianne. **All videos need to be received by the end of the day Wednesday, June 10.**

On Sunday afternoon, June 14, SPRC members will deliver the love offering, greeting cards, and video to Dianne at her home.

Please join SPRC in expressing gratitude to Dianne for a job well done and blessings for the continuation of her ministry.

Should you have any questions, please contact Jim Graham via email at jimgraham11@hotmail.com. †

RE-ENTRY, continued from front page

This is a time of clarifying what will not change and what can change. It is a time of discernment and a time of making important decisions that will balance safety and living by faith. We are social beings and being in relationship with others is part of who we are and part of God's plan for us. But living out those relationships may look different.

This is a time to pray that we continue to be faithful to God's call to gather joyfully, grow spiritually and go faithfully into the world to share his love with others. It is also a time to pray that God will show us clearly how we are to do all that in ways that keeps each other as safe as possible.

Going into our new normal or now normal will also require patience with each other. Some will want to get back to the ways we used to gather quickly and others will want things to go much more slowly. Having different ideas is nothing new. What sets us apart is the way we treat each other in the midst of our different ideas. Christians show love and care and concern for others at all times. Christians choose to sacrifice their own wishes and desires out of their love for others. Christians listen and share and give rather than tell and demand their own way.

I look forward to sharing the journey ahead with you as we practice reentry and adjust and walk by faith and demonstrate love and patience and most importantly, listen to God.

The Power of Prayer

Mount Tabor believes in the power of prayer. As people of faith, we are called to pray for one another, and for the world around us, which is suffering right now. As we go through this difficult and challenging time, we are reminded that God hears all our prayers.

If you have a prayer request you can go to our website at **www.mttaborumc.org/prayer-requests** and leave it there, or contact one of our pastors, or myself. Unless you wish for your request to remain private, it will be shared with our prayer chains, a dedicated group who faithfully pray over requests each week. Our pastors and staff also pray for every prayer request by name.

If you would like to serve on the prayer chain, I'll be happy to add you to our volunteer list.

Facebook Live Prayer Time is on Tuesdays at 8 a.m. with Pastor Mark and on Thursdays at 7 p.m. with Pastor Bob. This is a great time of connections and fellowship as we unite together in prayer. Take care and let us know how we can pray for you.

Rejoice in hope, be patient in tribulation, be constant in prayer.
