of all the nations, baptizing them ...
Teach these new disciples to obey
all the commands ...
And be sure of this:
I am with you always ...

A YEAR UNLIKE ANY OTHER

This year has no doubt been unlike any other year in my 39 years of pastoral ministry. The year started out full of promise with infant baptisms the first two Sundays of the year, a brand-new confirmation class of 14 young people committed and eager to participate and learn, a phenomenal Martin Luther King, Jr. celebration in our sanctuary full of people of different color worshiping together. We were excited about implementing our new ReVision goals we had been working on for the past year. New leaders were in place and we were doing well in all categories: worship attendance, giving, new people joining the church and several weddings on the calendar for the year.

Then in March our world turned upside down with the stay-at-home orders and talk of a pandemic due to a previously unheard-of virus. One of the hardest decisions I think I have ever had to make was to cancel our in-person worship services on March 15. Now seven months later we have learned how to do church differently and we have learned a lot about health safety and the spread of germs and about technology and how to use it to make available worship services and class sessions and meetings. And we have learned a lot about ourselves. We have learned what it means to be the church without being together physically. We have learned a lot about dealing with fear and worry and anxiety and in helping others deal with those things. We have learned the importance of staying connected in different ways. We have learned how to do celebration of life services differently and how to care for those who are grieving in different ways. We have learned how to care for our homebound members in different ways and to minister to our seniors with cards, calls and the delivery of small gifts. We have focused our pastoral care of those who are sick or having surgery or who have lost a family member with phone calls and emails and text messages. We have used our website and social media and recorded video messages to communicate with our church family. Our staff has recorded video devotions to share with the church. We have made available all three of our worship services online weekly using both pre-recorded mediums with editors as well as live streaming. Weddings have been rescheduled for next year in some instances and many of them were done with family only or outdoors.

When the early church underwent persecution from the Roman Emperor Nero, the church was forced to scatter. Christians moved away from Jerusalem and Palestine and settled all over the world. Historians say it was a pivotal time in Christianity as it helped to spread it near and far. It is referred to as the Great Dispersion. Today, not only is your senior pastor a little more scattered than he used to be, but we are a church that is still scattered in some ways (Our mission is to gather joyfully, even as we are dispersed to our various homes). But we

Thankful Tree: God Is Good

It's time to make thankful trees!
Making thankful trees is so much fun! The colors get prettier and prettier as the trees get bigger and bigger. And, it feels so good to think about and write down what we're thankful for—for an entire month!
This time of year helps us refocus on all the good in our lives. And there is SO much good when it comes to God. Because "God is good!" is what we want preschoolers to learn this month. God is good and we have A LOT we can thank Him for. So, we're getting ready to create those thankful trees and tell God, "Thank You" for all the good things He's made and done!

Shout Out: Let 'em Know You're Thankful!
Gratitude sometimes feels like a lost art. Yet gratitude is an idea close to God's heart. Think about all of the Bible stories where people give thanks to each other, celebrate God with feasts and festivals—not to mention the Psalms filled songs of praise. Just take a moment to consider everything God has done for you: the world He made, the promises He's kept, the new life He offers through Jesus. When we remember all of that, we can always be thankful.
This month, we'll be shouting out our gratitude!

Find the full Re-Entry plan online at
https://www.mttaborumc.org/covid19response
updated October 6, 2020

Mount Tabor UMC moved judiciously into Phase 3 on **Oct. 2.** Based on guidelines from CDC, Western North Carolina Conference of the United Methodist Church (WNCC), and North Carolina (NC) state, the church's response includes:

Facilities
- Our doors may be closed but the ministries of the church continue.
- Building entry will be limited to staff, scheduled volunteers, scheduled groups and Ignite worship attendance.
- All individuals on-campus must complete a health screening to include a temperature check and wear a mask.

Worship
- The Ignite worship service moves indoors to the Alspaugh Worship Center on Oct. 18, 2020. The service will also be livestreamed to the Mount Tabor UMC pages on YouTube and Facebook.
- When the main worship facility reaches capacity, additional seating will be provided in overflow spaces.
- Pre-recorded worship continues for Traditional and Higher Ground services but allows for an increased number of worship leaders (musicians, liturgists, production staff) as appropriate in guidelines.

Groups
Groups are encouraged to continue to gather online or outdoors but have the option to request space for indoor meetings.
- All indoor gatherings must be approved by the Re-Entry Committee and are pending space availability.
- Groups meeting indoors must:
  - apply following all directions found online at **https://www.mttaborumc.org/building-use-policy**
  - follow the Small Group Meeting Guidelines
  - complete a MTUMC On Campus Covenant
  - adhere to the established occupancy limits
  - be flexible in location and time

Funerals/Weddings
- Funerals and weddings may be arranged in accordance with NC and WNCC guidelines.

Cleaning/Disinfecting
- Cleaning and disinfecting procedures continue with hand sanitizer stations in common spaces.

Staff
- Staff may continue to work from home or reoccupy offices at their discretion. Staff wear masks and physical distance when outside their workspace/office. Staff meetings continue via Zoom.

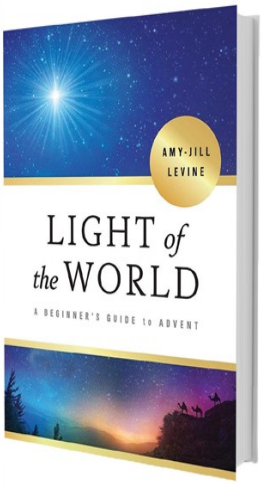
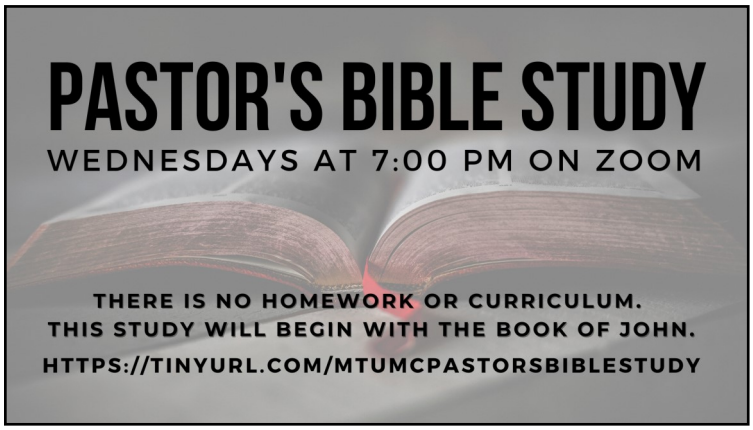
WEDNESDAY WOMEN'S BIBLE STUDY

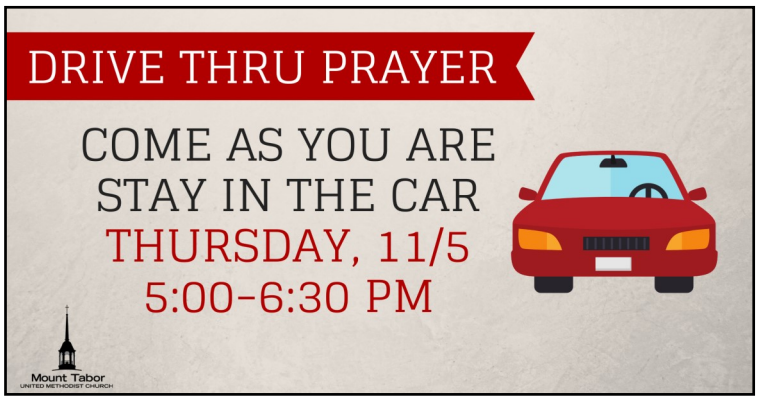


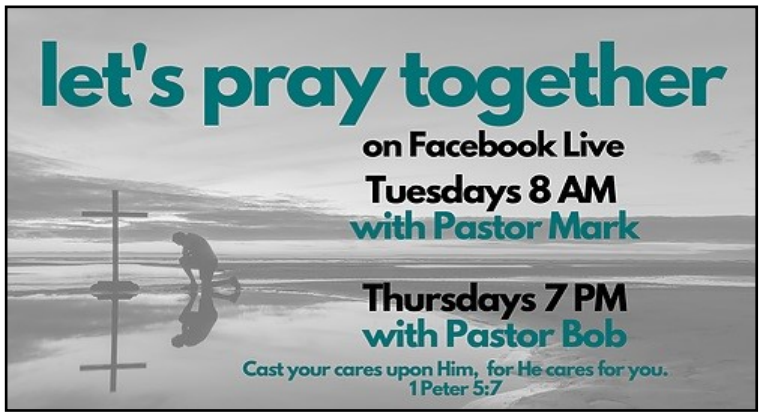
Wednesday Women's Bible Study will offer an Advent study, "Light of the World" by Amy-Jill Levine on **Nov. 11, 18, Dec. 2 and 9**—*Nov. 25 is skipped due to Thanksgiving.* All sessions will be offered **at 9:30 a.m. and 6:30 p.m.** via Zoom web conferencing. Contact Kim Harvey (kim.harvey@mttaborumc.org) if you plan to attend either of the sessions so you can receive the Zoom meeting link information. Each participant will need to purchase her own book. The study will examine the real meaning of Christmas, connecting the Gospel to the Old Testament scripture and look at the birth of Jesus through the stories of Zechariah and Elizabeth, Mary, the journey to Bethlehem, and the visit from the Magi. ✝

FIND WAYS YOU CAN 'BE THE BRIDGE'

Are you looking for ways to learn more or take action following the recent "Be the Bridge" (BTB) book study and sermon series? Even if you were not able to read the book or participate in a study group, are you interested in learning how God may be calling you to contribute to racial reconciliation and unity? If so, the Church for All People Ministry recommends that you check out **bethebridge.com** online. This website has many resources. If you are not sure where to start, one especially helpful option is to join the BTB online community (via Facebook), which offers an excellent guided sequence of materials—as well as a Christian community—to support learning and action. If you think you might be interested in joining a local "Be the Bridge" group in the near future, contact Christy Buchanan (christymbuch@gmail.com) to express interest. ✝







PASTOR MARK, continued from front page

know that already many good things have come from what we have been through this year. We know how to use technology much better and will be using technology and the skills we have acquired in lots of ways for years to come for our own membership and to reach people far away from us. We know we will need to continue making our services available online for quite some time, maybe ongoing. We have learned how to reach and connect with each other regularly. We have learned that we can accomplish a lot remotely with people who are many miles away. We have learned to be sensitive to where people are and to respect that. We have learned a lot about keeping people safe. And we have learned about what it means to be the church when the peripherals are taken away. What makes us a church is God, Jesus, the Holy Spirit and each other. All the other things are important. And we miss them greatly. But we have still been able to be the church with all the restrictions that have been put on us.

Mount Tabor is still a strong church with a lot of love for others and a devotion to God. Mount Tabor is still a very generous church and committed to giving financially to support the church, its mission locally and around the world and to reducing the debt from our recent building program. That debt has been reduced to $1.3 million this year. Mount Tabor is still a church that wants and is committed to growing spiritually and participating in Sunday School classes and group study experiences and Bible studies and support groups. Mount Tabor is still a church that is committed to volunteering at Samaritan Inn, Bethesda Homeless shelter, North Hills elementary school, Crisis Control, Meals on Wheels and many other local ministries. Mount Tabor has not wavered in its commitment to our mission of gathering joyfully, growing spiritually and going faithfully into the world to share God's love. ANGEL TREE IS BECOMING VIRTUAL FOR 2020

The MTUMC Angel Tree Committee is excited to announce the church will host a Virtual Angel Tree this year to provide underprivileged children with Christmas gifts. Working alongside the church's Outreach and Re-Entry Committees, the team is finishing the details to make this possible and hope lots of Mount Tabor folks will want to help some local kids have a nice Christmas this year! Specifics include:

1. Child selection with signup will occur online using the SignupGenius website. Multiple links, representing the different agencies supplying names, will be available. Under the agency, you will select a child and sign up.
2. The child selection and drop off schedules will be a little different with those details are not completely firm at this time. Hopefully the sign up links will open by Nov. 8 with the last day to supply gifts being Friday, Dec. 11. Sunday drop off times and other weekday curbside drop off times will be announced. Stay tuned for dates and times.
3. If you want to participate, but don't want to shop yourself, volunteers are willing to shop for you. Donations made to MTUMC can be mailed to the church or made online, designating "Angel Tree" in the memo line.
4. Stay tuned for details coming very soon in the weekly "In the Know" emails, website and social media.

Call Laura Beaty (336-403-5311) or Becky Pfaff (336-768-5156) with questions or to volunteer to help receive packages during drop off times. †
